

Trans-Amazon Expedition

Student Response: May 5, 2007

Name _____

Notes From The Trail: A Forest Rich in Life and History

1. What are some examples of biodiversity the team has seen?

2. Describe the understory layer of the rainforest.

3. What three things does a habitat provide?

Cultural Connections: Seringueiros and the Rubber Boom

4. What is a seringueiro?

5. Name some reasons why being a seringueiro is difficult.

6. How did the seringueiros transport the rubber to Manaus?

7. What are some things made out of rubber (probably synthetic) that you use?
