

Trans-Amazon Expedition

Student Response: November 3, 2008

Name _____

1) Notes From the Trail discusses food chains this week. Are you a carnivore, herbivore, or omnivore? Why?

2) List some foods that you can think of that come from the rainforest.

3) On the back of this paper, illustrate a food chain from the Amazon rainforest. Remember to include a plant and at least two animals. Use the Amazon Library to help you.

4) What kind of plant is farina made from? What part of the plant is used?

5) What is a processed food that you eat?
