

# Trans-Amazon Expedition

## Student Response: November 17, 2008

Name \_\_\_\_\_

1) What are two simple things you can do at home to help the environment according to Notes From the Trail?

---

---

---

---

---

---

2) Identify two ideas about how to protect the environment or conserve resources like electricity, gasoline, and heat.

---

---

---

---

---

---

3) Give an example of how people co-exist with nature inside Amazon parks.

---

---

---

4) Think about what makes a good friend. What are qualities of people that make them good friends?.

---

---

---

---

---

---

5) What are two ways that people of the Amazon have shown friendship to the team members?

---

---

---

---

6) Think about how you would react to meeting someone who lives in the Amazon. What would you like to know about them? List three questions you would ask a person from the rainforest that would help you understand what their life was like.
