

Trans-Amazon Expedition

Student Response: November 17, 2008

Name _____

1) What are two simple things you can do at home to help the environment according to Notes From the Trail?

2) Do you think that the more people learn about a habitat (such as the Amazon) they are more likely to protect it? Why or why not?

3) What are changes that Amy is planning on making in her life as a result of the Trans-Amazon Expedition? Could these be changes that everybody could make?

4) Think about what makes a good friend. What are qualities of people that make them good friends?

5) What of the world's problems might be solved if people were more tolerant of other people's differences?

6) Give two reasons why was it important for the expedition team to keep an open mind when meeting new people. How did keeping an open mind pay off for the team?
